Procedure 2.1	STAFF APPOINTMENTS TRAINING & COMPETENCE	6
Procedure 1.9	IDENTIFICATION, QUARANTINE & CONTROL OF NONCONFORMING PRODUCTS	10

The certificate is subject to the following limitations:

- In case of damages caused by defective products, Council Directive 85/374/EC, as amended, will apply
- The certificate is only valid for the products and/or manufacturing premises listed above.
- The certificate is only valid for designs based upon the non-designated product standards listed above.
- The Manufacturer shall fulfil the obligations arising out of the quality system as approved and uphold it so that it remains adequate and efficient.
- The Manufacturer shall inform the local DNV Office of any intended updating of the quality system and DNV will assess the changes and decide if the certificate remains valid.
- The Manufacturer shall inform the local DNV Office of any addition of products outside the scope for this Certificate and DNV will decide if a reassessment of the quality system is required.
- Periodical audits will be held, in order to verify that the Manufacturer maintains and applies the quality system. DNV reserves the right, on a spot basis or based on suspicion, to pay unannounced visits.
- The local DNV Office must be informed of any sub-suppliers for main pressure retaining parts.

The following may render this Certificate invalid:

- Changes in the quality system.
- Periodical audits not held within the allowed time window.

Terms and conditions

Valid terms and conditions are found in the DNV's PED Certification Requirements
