

Key Features:

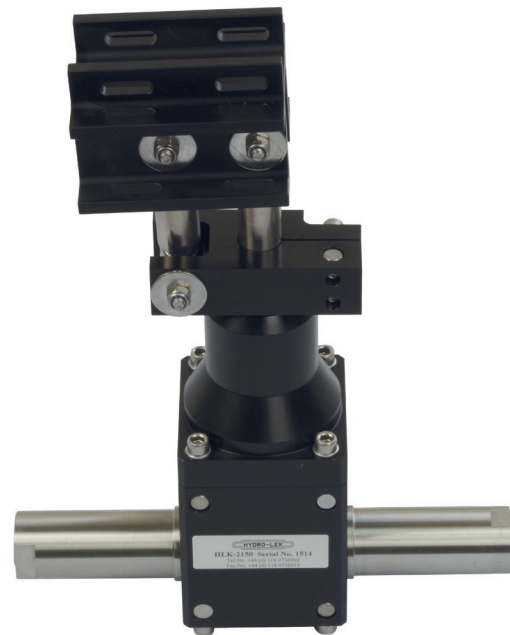

- Compact
- Easily maintained
- Robust

Hydro-Lek HLK-2150

Camera Booms and Pan & Tilts

The HLK-2150 Pan & Tilt is now considered to be one of the longest serving reliable units in service.

It's unique slip ring and tilt action ensures the camera swept arc is kept to a minimum.

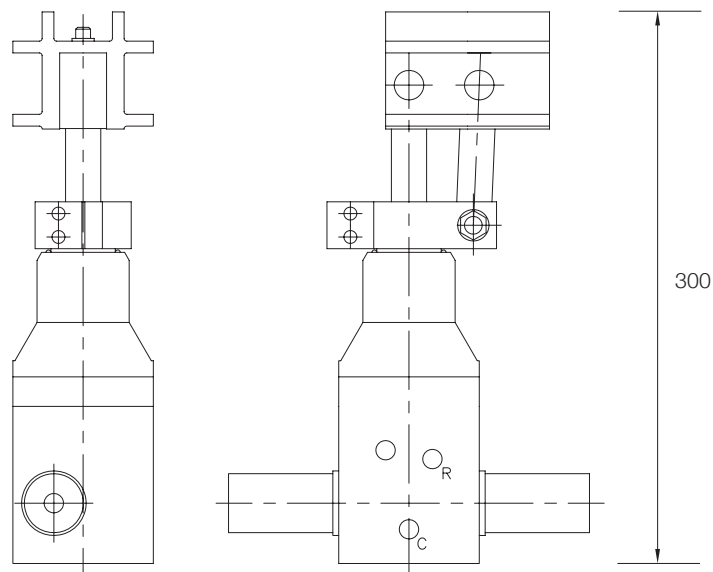

Hydro-Lek HLK-2150

Camera Booms and Pan & Tilts
